

Career Opportunity

Company: CCTF Corporation
Location: Edmonton, Alberta
Position: National Procurement Manager
When: As soon as available

Canada's largest master distributor of steel pipe and piping products is looking for a strategic thinking and decisive National Procurement Manager to provide leadership to a highly skilled and experienced procurement team through the execution of consistent and effective supply chain management principles.

Responsibilities:

- Develop, implement and maintain supply chain practices that are appropriate to the business including supplier relationships and vendor performance metrics.
- Oversee inventory planning and forecasting to meet strategic targets around inventory investment turns and fill rates with a sustained competitive advantage.
- Negotiate with existing and potential international and domestic vendors to reduce total cost of ownership through improved material costs, cycle times, logistics and commercial terms.
- Oversee inbound and outbound logistical components of the supply chain.
- Pertinent communication of leading trends in the supply chain that affect our business to key stakeholders.

Qualifications:

- Minimum 5-8 years of proven professional procurement experience.
 - inventory planning, logistics, contract negotiation
- Minimum 3 years of proven leadership experience.
- Strong oral and written communication skills
- Purchasing credentials an asset (CPP, PMAC)
- Proven global sourcing experience.

All interested candidates are requested to send a resume via email to Resume482@cctf.com.
